GOTTA DANCE 2017

A CHARITY BALL – ABOUT YOU

Our sponsorship and supporter packages provide flexibility and aim to support your goal as responsible corporate community members.

For us to be great fundraisers we need to work together.

THE TUXEDO EXPERIENCE

'The Tuxedo Experience' describes the template we put over every decision we make. It's not only about the quality of the event but the service we provide to our guests and partners. Ensuring our goals are aligned means we can contribute to your success. So how do we make it happen? Firstly, we want to hear from you, about you. What is important to your company and your team in supporting community fund raising events?

In 2017, Tuxedo Junction Melbourne will celebrate more than a decade of fundraising for Cancer Council Victoria. Like many stories, it starts out small and, along the way, gathers momentum. Now, at this significant anniversary, we not only pause to reflect but look to the future and celebrate our achievements. Our inspiration has always been our friends and families in the cancer community and, as they continue doing their job, we continue doing ours. Along the road to

raising over \$1,100,000 Tuxedo Junction has entertained thousands of our sponsors and supporters of our research fundraising with fabulous food and a live show that guests return to year after year. The growing list of artists appears each year in the programme, along with our sponsors and supporters. At the heart of it all, though, are the researchers, the patients and family who generously support and inspire Tuxedo Junction by sharing themselves and cancer research breakthroughs with us.

We are delighted in your interest in supporting this incredible cause. As you know, every contribution makes a difference... and your contribution can make the biggest!
